

ICTM Conference Industrial Exhibition

March 12–13, 2025 in Aachen

Become a partner of the ICTM Conference

The 7th Conference of the International Center for Turbomachinery Manufacturing ICTM is a joint event of the Fraunhofer Institutes for Production Technology IPT and for Laser Technology ILT. The Conference focusses on current and future challenges in aircraft engine and stationary turbomachinery manufacturing.

The accompanying industrial exhibition offers an ideal opportunity to get in personal contact with the Conference participants. Take the chance and show your innovative products and services for manufacturing and repair of turbomachinery at the ICTM Conference!
